DODO BALL CALENDAR 2026

Official B2B Product Specification & Customization Catalogue • Direct Factory Supply

Product Architecture: The Dodo Ball Calendar is an engineered 12-sided geometric dodecahedron desk calendar. Each of its 12 pentagonal facets showcases one month of the calendar year along with your organization's custom branding. Manufactured in-house at our Pune facility, it provides 365 days of continuous, premium brand visibility on executive office desks.
